

## Website Alerts

Add these website alerts and messages to keep clients informed as you adapt your approaches.

### Option 1

**COVID-19 UPDATE:** We may have limited availability for preventive and non-emergency appointments. We're working to make our schedule as reasonable as possible while making every effort we can to protect our clients, our staff, and our community.

We are continuously adapting our protocols and hours to ensure we're safely providing necessary support to your pets. Please plan ahead and order your refills if needed. **Follow our Facebook page or call us prior to coming in to discuss how we can best meet your pet's needs.** Thank you for understanding.

### Option 2

Alert: there are new processes in place to keep our clients and staff safe. Visit our Facebook for more information.

### Option 3

Temporary Hours: We are open Monday-Friday: xx-xx and Saturday: xx-xx to allow our staff extra time to deep clean our hospital. Visit our Facebook for more information.

### Option 4

We are open Monday-Friday: xx-xx and Saturday: xx-xx. For the time being, only employees are allowed in the hospital. We will meet clients in the parking lot to pick up pets and/or deliver food and medication right to your door! Check our Facebook or call us for more information!
